Education

1975-1980. Doctor of Business Administration, Harvard Business School, Harvard University.

Dissertation title: "The Process of Strategy Formation." Dissertation committee: Jay W. Lorsch (Chairman), Alfred D. Chandler, and Gordon Donaldson. 1978-79: Designated an "outstanding doctoral student" and awarded the Arthur D. Little Foundation Fellowship.

1970-1972. MBA (Major: Marketing), Indian Institute of Management, Ahmedabad, India.

Ranked among the top 5% of the graduating class. Awarded competitive merit-based scholarships during each of the two years. President, Marketing Club. Co-founder, Students' Organization for Management Assistance.

1965-1970. BTech (Mech Engg), Indian Institute of Technology, Kanpur, India.

Graduated with "Distinction." Ranked among the top 10% of the graduating class. Awarded competitive merit-based scholarships during each of the five years.

Employment

1986-Present. Robert H. Smith School of Business, The University of Maryland at College Park.

Current Position: Ralph J. Tyser Professor of Strategy and Organization (also, Research Director- Dingman Center for Entrepreneurship, and Research Director-Center for International Business Education & Research).

1980-1986. School of Management, Boston University.

Assistant Professor of Management Policy, School of Management.

1976-1978. Harvard Business School.

Summer 1978: Research Assistant to Professor Yair Aharoni. Drafted several grant proposals for research on the "strategic management of state-owned enterprises." Summer 1977: Research Assistant to Professor Alan Sheldon. Field research on "multi-institutional collaboration in the health care industry." Summer 1976: Research Assistant to Professor Howard Raiffa. Assisted in the development of a new MBA elective course on "competitive decision-making."

1972-1975. Hindustan Lever Ltd. (Unilever India).

Area Sales Manager (1972-1973): Responsible for the sales of the soaps and detergents division in two states.

Product Manager (1973-1975): Responsible for marketing the company's three most profitable brands.

Academic Recognition, Awards, and Related Honors

2008: Since 2004, have been continuously listed among the most highly cited scholars in the entire field of economics and business by *IS/highlycited.com* (a unit of Thomson Scientific Company). This list includes only 25 strategy scholars.

2007- : Member of the Executive Committee and 2008 Program Chair, International Management Division, Academy of Management (will become Incoming Division Chair in AY2008-09).

2006- : Elected to the Executive Committee, Global Strategy Interest Group, Strategic Management Society.

December 2006: Article by Peng & Zhou in *Journal of International Management* ranks my *AMR (1991)* article as the #7 most cited article in the list of all articles on global strategy published worldwide in all journals during 1991-2000.

2006-2008: Guest Editor, *Information Systems Research* special issue on "The Interplay Between Digital and Social Networks" (co-editors: Ritu Agarwal and Robert Kraut).

2005-2007: Guest Editor, *Organization Science* special issue on "Innovation Research At and Across Levels" (co-editors: Susan Taylor and Paul Tesluk).

2004-2006: Guest Editor, *Academy of Management Journal* special issue on "Managing Exploration and Exploitation" (co-editors: Ken Smith and Chris Shalley).

2005: Winner, Best Paper (Runner-Up) Award at the annual meeting of the Academy of International Business.

2005: Appointed to the Editorial Board, *European Business Forum*.

2003: Appointed to the Editorial Board, *Journal of International Business Studies*.

2000: Included in the *Academy of Management Journals' Hall of Fame*.

2000 (Jan-Dec): Served as a visiting professor at Stanford University. 1991-1992: Served as a visiting professor at the Tuck School, Dartmouth College. In 1986-1987, was similarly invited by the Sloan School of Management at MIT to serve as a visiting faculty.

1997-1998: Received the "Distinguished Scholar-Teacher Award" from The University of Maryland - the highest campus-level recognition given by the university to any of its professors.

1998: Second-time winner of the Allen J. Krowe Award for Excellence in Teaching, The Robert H. Smith School of Business, The University of Maryland at College Park (mentioned earlier). Also, rated as the #1 most popular professor in a *Business Week* magazine survey of MBA students at The Robert H. Smith School of Business, The University of Maryland at College Park.

1998: One of my 1984 *Academy of Management Journal* papers was included in the list of "The Ten Most Often Cited Articles Published in AMJ, 1958-95" by former editor Richard T. Mowday in "Celebrating 40 Years of the Academy of Management Journal," *AMJ*, 40(6), 1997. Earlier, this article was also ranked as #2 in a survey of "The Fifty Most-Noted Strategy Works of 1980-1985" by Donald C. Hambrick of Columbia University.

1994: Ranked by *Management International Review* as one of the "Top 20 North American Superstars" for research in strategy and organization.

1992-1994: Appointed to the Executive Committee, Business Policy & Strategy Division, Academy of Management.

1991: Received the 1991 Glueck Best Paper Award, Business Policy and Planning Division, Academy of Management.

1991: Dissertation chair for the winner of *two* national best dissertation awards (Harry J. Sapienza, "Venture Capitalist-Entrepreneur Relations: Antecedents and Consequences," Ph.D. dissertation, The University of

Maryland at College Park, 1990) - The 1991 Heizer Best Dissertation Award, Entrepreneurship Division, Academy of Management, and The 1991 Best Dissertation Award, TIMS College on Entrepreneurship and Innovation.

1989: Based on publications, citations, and peer rankings, a 1989 survey by Edwin A. Locke to assess the national academic standing of business school faculty placed me among the top 10% of all "Organizational Behavior, Human Resource Management, and Strategy" faculty (n = 571) in the 32 leading private and public universities in the country. I was one of only 5 associate professors ranked in the top 10% (n = 57). The remaining 52 were all full professors.

1984: Received the Broderick Prize for Excellence in Research, Boston University (mentioned earlier).

Research

Current Research Interests:

Global strategy and organization.

Innovation and entrepreneurship.

Creation, diffusion, and absorption of knowledge.

Coordination and control within complex organizations.
