-

EXPERIENCE

Capstone Strategic, Inc., McLean, VA

Boutique investment bank specializing in M&A

Summer 2011

Summer Research Associate

- Identified and analyzed global acquisition targets for client firms seeking external growth
 - Used client-provided criteria to evaluate target firms for strategic fit
- Researched comparable transactions to find appropriate valuation multiples
- Nine target companies are currently in early-stage acquisition talks as a result of my research

Ipreo Holdings, LLC, Bethesda, MD

2007 – 2010

Provider of market intelligence and deal execution platforms to global investment banks and corporations

Senior Analyst, Content Enhancement (2009-2010)

- Authored detailed summaries of investment strategies—including stock/bond selection, sector allocation, sell decisions, etc.—for over 150 hedge funds and other investors
 - Conducted in-depth analysis of scarce data from SEC filings issued by hedge funds and their target companies
- Developed a process for collecting data related to proxy voting practices, and implemented the process throughout Ipreo's global research department encompassing 75 analysts in North America, Africa, and Asia
- Directed the training and development of four analysts in India and South Africa
 - Created training materials, conducted training sessions, and acted as a personal mentor
 - Each trainee later progressed from Analyst to either Team Leader or Senior Analyst

Analyst, Global Priority Team (2007-2009)

- Authored a report detailing trends, restrictions, and income requirements unique to insurance companies' investment activities, and delivered findings to teams throughout the organization
 - Served on a panel to test and improve proprietary software systems
-

ADDITIONAL INFORMATION

- Professional bassist (Jazz, R&B, Country, Blues, Classical, etc.)
- Wrote recreational software to identify optimal poker strategies in real time
- Attended "Wall Street Prep" two-day DCF training seminar
