PROFESSIONAL EXPERIENCE

Emerging Capital Partners – Intern
Largest Africa-focused Private Equity fund with about \$2 billion in capital commitment

Washington, DC
Spring 2012

Citigroup

Investment Banking Summer Analyst – Global Chemicals Group

New York, NY
June - August 2011

- Worked as a member of a coverage group specifically focused on the commodity, specialty, and agricultural chemicals space
- Conducted company, industry, and macroeconomic research via public filings, research reports, and financial news providers for the creation of pitch materials, PIBS, and analysis of market trends
- Updated weekly compendiums on the industry that were widely distributed among Citi's transnational Chemicals IB franchise

Select Transaction Experience

M&A – Strategic MOE pitch between two commodity chemical entities with a combined Enterprise Value of about \$4 billion

- Built, under guidance, fully-functional, dynamic financial models utilized in conducting discounted cash flow, comparables, and accretion/dilution analyses on the transaction

Capital Markets – Lead underwriter for Bain Capital's exit of its investment in Trinseo, a hybrid chemicals company with over \$5 billion in revenues

- Assisted in the creation of due diligence materials concerning Citi's revolver commitment of about \$300 million, a subsequent high-yield debt offering, and a \$400 million IPO; IPO set to launch in September 2011

Capital Markets – Lead underwriter for Apollo's carve out of Momentive, a chemicals company with over \$7.4 billion in revenues

- Worked in concert with Citi's Financial Strategy Group in conducting a regression analysis on which factors could mostly affect Momentive's pricing potential; Apollo looking to raise about \$900 million from Momentive's IPO

Barclays Capital

Wall Street Scholars Program – Investment Banking/Global Markets

New York, NY
January 2011

- Competitively selected as one of 44 participants for a week-long externship from a pool of about 700 applicants
- Presented and won a group case study competition on valuation and ratio analysis; Competed against 6 other teams
- Event culminated in day-in-the-life panels, trading/IB floor tours, speech by global head of IB and networking opportunities

Ernst & Young Global, Mitchell & Titus

Assurance Audit Intern

Washington, DC
June 2010 – August 2010

- Co-managed, with lower-level staff on two engagements, the substantive testing of significant accounts on full and limited scope defined benefit and defined contributions multi-billion dollar pension plan audits

Financial Industry Regulatory Authority

Market Manipulation Investigations, Quality of Markets Intern

Rockville, MD
May 2008 – August 2008

- Drafted several opening case memorandums that initiated review of over \$10 million in purported manipulation of an IPO
- Collaborated with Analysts in streamlining asset reporting metrics used by the compliance departments of Broker/Dealers to be in line with FAS-157 concerning Mark-to-Market valuations of Auction-rate securities
