**Important Notes:**

1. This plan allows a student two semesters to complete Applied Calculus. Students who place into the Calculus will have additional elective options. Students who need developmental courses to reach Calculus may need to supplement their coursework in summer school.
2. The University of Maryland has a website that shows UM course equivalencies for transfer courses. For more information or to evaluate a transfer course please visit the UM Transfer Credit Center at [www.tce.umd.edu](http://www.tce.umd.edu). Use the "transfer course look-up" button and follow the directions.
3. University of Maryland CORE (general education) requirements are explained at: [www.inform.umd.edu/GenEd](http://www.inform.umd.edu/GenEd)
4. For more information about applying to the Smith School Undergraduate Program located at the USM, Shady Grove Center please go to: [www.rhsmith.umd.edu/undergrad/ShadyGrove.htm](http://www.rhsmith.umd.edu/undergrad/ShadyGrove.htm)
5. Frederick Community College courses that satisfy the above mentioned UM CORE requirements: **subject to change, student is responsible for verifying equivalencies with the UM Transfer Credit Center (www.tce.umd.edu)**
