

2020 ENTREPRENEURSHIP PROGRAMS & COURSES ABROAD

ROBERT H. SMITH
SCHOOL OF BUSINESS
CENTER FOR GLOBAL BUSINESS

The key to a successful career mindset isn't just going global, it's thinking like an entrepreneur. In partnership with the Dingman Center for Entrepreneurship, the Center for Global Business has compiled a list of courses you can take while studying abroad to learn about entrepreneurship and innovation from a global perspective. The Dingman Center is the hub of entrepreneurial activity at the Smith School where any UMD student can get access to the resources they need to launch a venture. If you would like to learn more about how to sign up for entrepreneurship programs, courses and events at the Smith School, visit the Dingman Center at 2518 VMH.
