

Dingman Center Inner Circle

Since its founding in 1986, the Dingman Center for Entrepreneurship has relied on corporate and individual gifts to support its various programs, services, and events. Known as the Inner Circle, the development campaign solicits annual fund contributions, program underwriting, and event sponsorship. The Inner Circle brings together successful alumni, entrepreneurs and business leaders who help to navigate the future of the Dingman Center, the Robert H. Smith School of Business, and entrepreneurship in our region. All funds raised through the Inner Circle provide direct support for programs, services and student scholarships.

Honor Roll of Donors

Each year, donor's annual contributions, program underwriting, event sponsorships and multi-year pledges are recognized by the following club names and corresponding gift levels.

FY'20 HONOR ROLL OF DONORS

Whether it is time, talent or treasure, the Dingman Center network gives back in immeasurable ways.

Much of this support goes to seeding student-run startups. In 2020, we distributed over \$155,000 in nondilutive seed funding to student entrepreneurs participating in our programs. Thank you to our supporters for your generosity. The list below represents gifts received from July 1, 2019 to June 30, 2020.
